

ST. MARY SCHOOL REGISTRATION INSTRUCTIONS FOR 2024-2025

Please register from a laptop or computer

Login to Family Account : <https://stmaryhumboldt.onlinejmc.com>

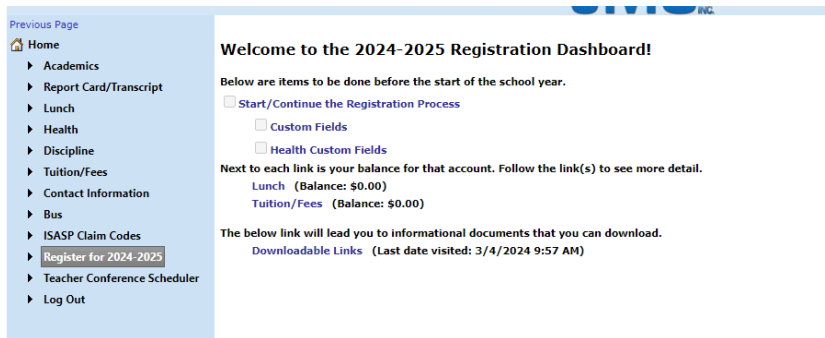

To register change the year to 2024-2025 from the drop down box.

Next, go to register for 2024-2025 located on the left hand side.

The following screenshot shows a couple of options to enroll. Either follow the start/continue hyperlink or click on the custom fields, health custom fields. You can skip steps by going to the individual custom links; however all questions with an (*) next to it must be completed before the registration can be submitted with the next button.

JMC will lead you through the process with the Next button. However, you will need to fill in every question with an (*) to proceed using the Next button. Option: Click Registration Dashboard links.

The first contact information is for Parents or Primary Caregivers. The second set of contact information is for Emergency Contacts outside of the immediate household. Only enter your family information once. It does not need to be repeated for Emergency Contacts.
